

TRADE SITES

A multitude of trade stand opportunities will be on offer to cater for various exhibitors' needs and display requirements. A range of internal sites are located overlooking the world-class AELEC Stadium Arena. External sites are available too. It's a great opportunity to promote your products to the diverse group of competitors and spectators at TEE10.

Bookings are filling quickly, so take this opportunity now to reach your buyers at TEE10.

Exposure and Benefits

- For an investment of just \$660 GST inclusive you can gain access to superior internal trade stand locations overlooking the world class stadium arena or access to extensive external trade stand areas catering for a range of outdoor display requirements
- Direct exposure to a range of clientele
- Your products will be on offer at your very own 2.4m x 3.6m Trade Stand within the Main Arena or the various external areas (larger areas are available at a small increase)
- You will be provided with 4 Traders entry passes throughout the event, to be distributed amongst your staff or clients as you see fit.
- The industry networking opportunities on offer will be very beneficial to you.
